

## Fundraising for Keech Hospice

<https://tinyurl.com/rotaryeb>

We meet on Thursdays at the Waggon and Horses in Elstree for Lunch. Please call 07939 088421 for more information.

Service  
above  
Self

*We came to this world to be something more and help each other. We have a purpose in which we must work every day, to shape it. We came alone to this world, but we do not live alone. We are surrounded and immersed in a society which needs our commitment, our responsibility and loyalty.*

*“Service Above Self” is our Rotary Club motto. This year, I have been given the honour to run in order to raise money for Keech Hospice in conjunction with the Rotary Club of Elstree & Borehamwood. The Hospice needs £6M a year to provide the much needed services to the community.*

*Today I am on track to add more kilometres to my marathon journey. However, it will not be just for my goal to improve myself and achieve the six most popular marathons in the world. Today, I have the honour to run in the Virgin London Marathon for children and adults who have life limiting and terminal illnesses. Today, at each step I take, I am no longer*

*alone. We are a team that have the same goal, the same purpose. We are one.*
